

# Purchase Order Grid

Last Modified on 07/18/2017 3:37 pm EDT

List items on the Purchase Order Grid based on the selection criteria in the 'Where' clause bolded below

```
SELECT P.Location,
       P.ID,
       P.PVendorCode,
       ISNULL(B.RDate, 'Jan 1 1980') AS rdate,
       (CASE P.CrossRental
        WHEN 'Y' THEN (CASE
                        WHEN B.ShowStartTime = 'CUST'
                        AND LEN(C.OrganisationV6) > 0 THEN
C.OrganisationV6
                        ELSE V.VendorName
                        END)
        ELSE V.VendorName
        END) AS CustomerName,
       (CASE P.CrossRental
        WHEN 'Y' THEN (CASE B.ShowStartTime
                        WHEN 'VEND' THEN V.VCurrency
                        ELSE C.CurrencyStr
                        END)
        ELSE V.VCurrency
        END) AS CurrencyStr,
