

Duplicate a Booking

Last Modified on 07/25/2018 12:26 pm EDT

A duplicate booking is a copy of another booking with a new booking number. To duplicate, right click the booking and select Duplicate. The duplicated booking is not automatically saved. You can edit the customer and schedule dates immediately then save when you're ready.

Choose the sections of the booking you want duplicated

Duplicate Booking Options

Reload Prices for All Lines

Change the Booking Type to 'Sale'

Select the items you would like to duplicate :

Company :AED1 - AED Customer

Equipment List

Venue :

Venue Contact :

Freight

Project :

Project Manager :

Salesperson : RP - RP

Booking Notes

Labor :

Assignments

Keep Assigned Technicians

Technician Hours

Expenses

Notes

Other Crew Information

Note:Labor rates will be refreshed for bookings older than 90 day(s)

Note:

- Freight - If this value is unchecked, delivery/collection pricing and methods will be set to default values.
- The 'Event Type' field in the booking is tied to the project option, so it will be cleared if the project checkbox is unchecked

- Labour is calculated per Crew Parameter 24; when set will recalculate the crew rate for bookings more than x days old . See screenshots below
