

# Deleted Bookings

Last Modified on 07/26/2018 2:13 pm EDT

The screenshot shows the 'Reports' menu with 'Booking Reports' expanded. The 'Deleted Bookings' option is highlighted. Other options in the 'Booking Reports' submenu include 'Booking Cross Section', 'Discrepancy Report [Items Not Returned]', 'Late Returns', 'Cancel Booking Reason', and 'Status of Cycle Billed Rentals'. The background shows a table with columns for 'Date', 'Time', and 'Booking No'.

The 'Deleted Bookings Report' dialog box is shown. It includes fields for 'Start Date (Inclusive)' (2017-09-13) and 'Ending Date (exclusive)' (2017-09-14). There are buttons for 'Select Month' (Jan-Dec) and radio buttons for 'Sub rental' (Include/Exclude) and 'Sort By' (Date and Time/Booking Number). An 'Options' section on the right has radio buttons for 'Printer', 'Screen' (selected), and 'Word Processor'. 'OK' and 'Cancel' buttons are at the bottom.

The 'Report Display' window shows the report output. It includes navigation buttons (First, Page, Last, Go To, Print, Email, Close) and a header section with 'Date Printed : 17/09/13', 'Deleted Bookings', and 'Page No : 1'. The report data is as follows:

Date	Time	Booking No	Reason	Operator
17/09/13	16:01	MYTEST00032	test	RP
