

Top Cross Rentals Report

Last Modified on 07/26/2018 2:26 pm EDT

This report displays the top cross rented products that have the highest dollar value for cross rentals over the selected period.

A Detailed option lists all the cross rental bookings that comprise the total.

A screenshot of a dialog box titled 'Top Sub rental Products'. The dialog box is divided into several sections for configuration. The 'Select Dates' section has a checked 'All Dates' option and date pickers for 'Start Date (Inclusive)' and 'Ending Date (Inclusive)', both set to '2017-09-13'. The 'Select Month' section shows a row of month buttons from 'Jan' to 'Dec', with 'Sept' selected. The 'Scope' section has radio buttons for 'Group', 'Category', 'Sub Category', and 'Product', with 'Group' selected. The 'Group Scope' section has radio buttons for 'All' and 'Select a Group', with 'All' selected. The 'Options' section has radio buttons for 'Printer', 'Screen', 'Word Processor', and 'CSV', with 'Screen' selected. The 'Location Scope' section has radio buttons for 'All' and 'Location', with 'All' selected, and a dropdown menu showing '0 - Toronto'. The 'Output Options' section has radio buttons for 'Summary' and 'Detailed', with 'Summary' selected. At the bottom right, there are 'OK' and 'Cancel' buttons.
